Christmas Day 12/25/87

Dear Ted. (Busy Pal out West)

What crazy weather it hit 58° today and it's 12/25/
xmas day - It was exactly one year ago today that C.D.S.
Came up to Mr. Rhodes (the Stromas chesed) and he fixed
himself up a nice Rab ray behind the bar. I should have
taken his picture. anyway that was the day I got his
entire set of 1817 many of them he traded early dates with
Dr. Sheldon - May how time flies - Believe it last week
the lake was frozen and the Geese were walking on the
ice - Today it's like a spring Day. Received a nice Photo
Card from B. She'wity today and he says that he is
sorry to see me getting out of large Cents - Actually Ted. I
may get into it again some day I certainly hate to waste
all that Knowledge and Book Collection I have accumulated
over the years - This way I get something to look forward
to - You mention in your last letter that you have some
Paper Money and some Gold Coins you may want to
part with - yes I am very interested in purchasing them
from you - Being that I am only just getting started I
could probably use everything you want to sell.
Small Paper and Large and whatever you have in
Gold - I won't be able to pay you till after my
Sale - (45 days after auction is the payment date) Also how
would you get the stuff out there - Does that mean
you would come out East? Done and I would
love to have you here for as long as we get tired
of Gabbing (B.S.) Things are really getting hot on
my auction - would you believe some guy called
me up from Delaware a friend of Doug's if he
could see the Coins now at stacks and if he
could sleep in my house for a few days -
When I told Done about it she said - No - way -
that's Ted's Bed and nobody else can have
it !!! - Wow -

(Came up to Mr. Glades (the Store was closed) and he fixed himself up a nice Rabray behind the Bar. I should have taken his picture - anyway that was the day I got his entire set of 1817 many of them he traded early dates with Dr. Sheldon - May how time flies - Believe it last week the lake was frozen and the Geese were walking on the ice - Today its like a spring Day. Received a nice Photo Card from B. Shalinity today and he says that he is sorry to see me getting out of Large Cents - Actually Ted. I may get into it again some Day I certainly hate to waste all that Knowledge and Book Collection I have accumulated over the years - This way I get something to look forward to - You mention in your last letter that you have some Paper Money and some Gold Coins you may want to part with - yes I am very interested in purchasing them from you - Being that I am only just getting started I could probably use everything you want to sell. Small Paper and Large and whatever you have in Gold - I won't be able to pay you till after my Sale - (45 Days after Auction is the Payment Date) Also how would you get the stuff out there - Does that mean you would come out East? Dove and I would love to have you here for as long as we get tired of Gabbig (B.S.) Things are really getting hot on my Auction - Would you believe some guy called

After the Norman Sale last month and the high prices those Half Cents brought there is no telling what my Large Cents will bring - I mentioned to Jerry Stack that I would like to break the Auction record that R.S. Brown's Coins brought at the Superior Sale and that it took in \$1.2 million. He called Norman in and they (Stacks) offered me (1.2 mil) for my Coins regardless of what the auction brings. It was encouraging but I declined the offer. I really want the collecting fraternity to get it, not some Dealer who would resell it for profit - I never bought a coin for profit it was for the fulfillment of my collection -

Ted going over the advance writing of the coins it is Bone chilling to think of all the past famous Large Cent Collectors such as Bareford - Shelton - Downing - Brand - Mickle - Salt - Clarke and many others who held those coins in their hands and must have enjoyed them as much as you and I - You never saw my Coins of 1816 - 1857 - to bad we would have had a Ball comparing these 1817^c and 1836 - 1837 - It would have been a close contest.

You will soon be getting advance literature on the Sale - Hope you can make it.

Ted, in regards to the 1794-5-17a Dong ~~showed~~ ^{showed} it to me a couple of months ago - He said J. Robinson wanted \$40K for it and it would be a steal for me to buy it. I wonder now how much was in it for him? - When I bought Del Bland's set of 1794^c for \$98,000. I asked him what condition was his 17a and he said he had the F.K-40 - But he didn't include it when he gave me the Box of Coins in m^c Glades at lunchtime. I gave him his check but didn't look at the Coins till a week later - when I told him I got a F.12 Coin, and where is the 40 coin - he said that wasn't part of the Deal -

So I guess not everybody is as naive as W.A.
 Not everybody makes Deals like R.E.N.
 and W.A.

Ted I have met B. Grellman and his lovely
 Wife at a few of the E.A.C. Meetings and he certainly
 impressed me as a dedicated Large Cent
 Collector - I am sure you must have felt the same
 way or else you never would have given
 him your Coins -

Ted do you remember I once asked you
 for some of the 1794-Tough Sh.[#] numbers I was
 missing - Well you said at that time that
 those Coins very seldom come up at Auction
 When I bought the Norman Stack Coll. of 1794-
 54 Coins there were some tough ones in
 there - Between you and me there is a 1794
 S-27 - in my auction that I think you should
 look at. Have Jerry mail it to you -

It is a R-6 Buckled obverse described as V.F. 30
 I think it is better than that. I waited 8 years
 to get that Variety cost me about \$3,500. it has a
 Wood grain Color (Could be a sleeper)

Carl Carlson description of your S-2
 the Beckwith Coin gave me the Chills reading
 about it - What a Coin I imagine all the famous
 Collectors that held that Coin in their Hands.
 I feel just great that I had a chance to meet
 you and to become your friend - Can you
 imagine - a guy from Brooklyn, N.Y. that
 used to shine shoes as a kid - no High School
 Diploma. Came up the hard way - Selling
 the finest Collection of Large Cents ever
 Sold at Auction I still can't believe it.
 Your Pal - Always - Hy

THE MAGNIFICENT HERMAN HALPERN COLLECTION of United States Large Cents

This is the finest collection of U. S. Large Cents ever to appear at public auction! This superb collection, which covers 285 specimens of the early Cents (the "Sheldon Series") and almost 500 of the later date "Newcomb Series", has so many highlights that it is difficult to choose just a few for examples in an introduction such as this. The 1793 series includes 4 Chains, 9 Wreaths, and 3 Liberty Caps, the majority of them in the Condition Census. There are 90 Cents of 1794 including 14 Mint State pieces, 24 in AU, and a staggering 47 Condition Census specimens! The 1795-1796 Liberty Caps feature 5 Mint State coins and 6 in the Condition Census.

The Draped Bust series from 1796 to 1807, a total of 146 coins, includes 30 Mint State coins, 34 AU's, and 76 pieces in the Condition Census. The "Famous Four" of the Sheldon series are all included: 1794 Starred Reverse, 1795 Jefferson Head, 1803 Large Date, Small Fraction, and the 1807/6 Small Overdate. The Classic Head Cents, 1808-1814, traditionally difficult to find in the upper grades, include 10 Mint State coins and 13 AU's, highlighted by **at least one Condition Census example of each date** among the total of 13 CC specimens!

The later date Cents offer an astounding combination of varieties and top condition examples. Of particular interest one might include 1816 (11 of the 12 pieces Mint State); 1817 (an amazing 56 specimens, 39 of them Mint State); 1821 (only 2 coins, but one is Mint State and the other is a Proof); 1831 (4 out of 4 Mint State); 1836 (15 out of 16 pieces Mint State); 1837 (42 of 45 coins Mint State); 1845 (5 of 5 Mint State); 1850 (16 of 17 Mint State); 1851 (22 out of 27 Mint State); 1852 (25 of 29 Mint State). Overall the late dates include **9 Proofs**, ending with both Small Date varieties of 1857!

In the collection as a whole there are more than 350 Mint State Large Cents, and nearly 200 pieces in the Condition Census!

"THE HALL OF FAME OF U. S. LARGE CENTS"

In addition to quality and variety, this fantastic collection features a wealth of magnificent pedigrees, many reaching well back into the 19th Century. The Large Cent field has always been noted for its pedigreed coins, and, like all major collections in any coin field, the Halpern Collection has grown by acquisition of important specimens from the great collections of the past. The legendary names roll forth from the pages of the catalogue like a pageant of the history of Large Cent collecting: George Seavey, Lorin G. Parmelee, Charles I. Bushnell, John G. Mills, Sylvester Crosby, Ed Frossard, George M. Parsons, Harlan P. Smith, DeWitt Smith, T. Harrison Garrett, Richard Winsor, Andrew C. Zabriskie, Matthew A. Stickney, Carl Wurtzbach, Dr. Thomas Hall, John Story Jenks, David Proskey, William Woodin, H.O. Granberg, Ebenezer Gilbert, Henry C. Miller, Dr. Henry W. Beckwith, Henry Hines, Howard Newcomb, Dr. George French, James Ellsworth, Peter Mougey, Hillyer Ryder, George Clapp, Judge Gaskill, Joseph Sawicki, J.G. Macallister, F.C.C. Boyd, Oscar Pearl, James Sloss, T. James Clarke, Edward Schwartz, C.A. Allenburger, W.C. Blaisdell, Milton A. Holmes, Harold Bareford, Floyd Starr, R.J. Kissner, Dr. Sheldon, Dorothy Paschal, R.E. Naftzger, Louis Helfenstein, and a host of others.

As a final delight: 2 Red Book plate coins; one each from Clapp and Gilbert-Elder; 2 Newcomb plates in the Sheldon series; 6 Chapman plate coins; 7 Sheldon plate coins; and 17 Newcomb plate coins in the late dates! An unprecedented opportunity.

EVERY COIN WILL BE ILLUSTRATED IN BLACK and WHITE,
plus THERE WILL BE 120 ILLUSTRATED IN COLOR.

PROFUSELY ILLUSTRATED CATALOGUE and PRICES REALIZED AFTER SALE \$15.00.
